

To the Voters of the City of Maysville:

Do you want NATURAL GAS at THIRTY CENTS a thousand, or do you prefer to pay one dollar and fifty cents? Do you want the city government run in the interest of the people or in the interest of a few individuals? Do you want a safe, sane and economical administration of the city's affairs? Look at the records of the City Council and see how my opponent voted on these issues and how I voted. A vote for me means Progress, Improvement and Natural Gas.

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back. A lame, weak or aching one. Would you experiment on it? You would read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills. Read this case!

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

Statement From Maysville Gas Company on the Natural Gas Question.

The Maysville Gas Company and its representatives have never attempted to influence the election of city officials, Mayor or Councilmen, and it will not do so at the election tomorrow. Its policy has been never to secure anything from the city except on its merits, and such will continue to be its policy in the future.

It is informed, however, that its attitude towards natural gas is attempted to be made an issue in the election tomorrow, and in view of this it deems it proper to set forth to the people of the city what that attitude is.

It resisted the granting of a natural gas franchise a year or so ago because the parties seeking it had no natural gas to sell and wanted the franchise solely for the purpose of trading on it. It has a natural gas franchise itself, and has kept in touch with those who have it to sell and it is in position to furnish it to the city as soon as those who have it to sell are in position to spare the gas, and it will do so in accordance with the resolutions of Council adopted at that time.

In view of this, it follows that those members of Council who voted against the offering of the natural gas franchise, sought by Prall and associates, did not prevent the city securing natural gas, but on the contrary put it in position to secure it from those who have it to furnish as soon as it can be furnished, and that at the earliest possible moment and on reasonable terms, instead of having Prall and associates do the negotiating for it.

That the Maysville Gas Company is in position to do as above stated is shown by the following letter:

COVINGTON, KY., July 23d, 1908.
Mr. H. J. Cochran, General Manager Maysville Gas Co., Maysville, Ky.—Dear Sir: Answering your esteemed favor of the 17th, beg to say the Columbia Gas and Electric Company are consummating their arrangements for laying a pipe line from the Big Sandy to Cincinnati for the purpose of supplying this territory with Natural Gas.

It is not the intention of the Company to make any contracts at the present time with towns located at or near the line of the pipe.

After the line is completed and in operation should your Company desire to open negotiations for securing gas for the city of Maysville, I can assure you that the Columbia Company will endeavor to make arrangements with your Company for the sale of gas in Maysville in preference to opening negotiations with outside parties.

In fact, I might state positively that we would not make any arrangements with any one else until after our negotiations with you had utterly failed, which is very unlikely.

We recognize that no outside party can give the satisfaction in Maysville, as compared with the present Company, who own all the pipe lines located in that city.

Any further information you may desire will be cheerfully given at any time. Yours truly,
J. C. ERNST,
Vice-President.

Since the receipt of this letter the Columbia Company has not been in position to negotiate for gas for this city, but we are assured that as soon as it is it will take the matter up with the city and us.

President Maysville Gas Company.

Mr. William Bruer McMillan, one of Dover's well known citizens, passed away yesterday morning at 7 o'clock at his home in that place. His death was the result of a fall from a stable loft Friday afternoon in which he sustained concussion of the brain.

Deceased was born in Dover October 30th, 1845, and was 64 years of age Saturday.

He was the oldest son of the late James and Nancy McMillan. March 25th, 1875, he was married to Miss Elizabeth Earnehaw, daughter of the late James Earnehaw. She has been the noblest of wives to him and their union was very happy. They have no children. One brother, J. J. McMillan of Dover, and one sister, Mrs. H. C. Anderson of Germantown, O., survive.

The funeral services will be held Tuesday afternoon at 2 o'clock at his late home, with Rev. W. W. Hall in charge, and the interment will be in Rosemont Cemetery at Dover.

JAMES F. EASTON.

Mr. James F. Easton, whose illness has been noted in THE LEDGER, and a former citizen of Maysville, died Saturday at his home in Waltz, Rowan county, after a protracted illness, aged 74 years past.

He leaves a large family. He was a brother of Mr. George C. Easton of this city.

His funeral took place yesterday. Interment in Muse's Mill Cemetery, Fleming county.

THOMAS F. HENNEGAN.

Mr. Thomas F. Hennegan died yesterday morning at 1:25 o'clock at the home of his cousin, Mrs. Douglas McDowell, in East Third street, after an illness dating back since last June, aged 59 years and ten months. He is the last member of a family of eight.

The deceased was born in Cincinnati December 25th, 1849, and came with his parents to this city when an infant one year old, where he had since resided. He was a quiet, unobtrusive man, and respected by all who knew him.

For the past seven years he had served as Turnkey at the County Jail under the administration of W. W. McIlvain, and resigned on account of ill health. He was a member of the Orders of the Knights of Columbus and Father Matthew Total Abstinence Society.

The funeral will be under the auspices of the Knights of Columbus and will take place tomorrow morning from St. Patrick's Church at 9 o'clock.

Interment in Washington Cemetery.

They Injure Children Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health-destroying and a life-lasting annoyance.

I personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associate bowel disorders. I have such absolute faith in the virtues of this remedy that I sell it on my guarantee of money back in every instance where it fails to give entire satisfaction, and I urge all in need of such medicine to try it at my risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store Thos. J. Chenoweth.

The huns don't care which way she goes,
For the candidate pays the freight;

Saturday night was observed as Halloween by the young folk, and right heartily did they enter into the merriment of the occasion. Spooks and goblins, masked in grotesque characters paraded Second street and afforded amusement to the large Saturday night crowd that thronged the thoroughfare. Gates, signs and screen doors were removed, and the only real mean thing perpetrated was the disgracing with red paint the doors and steps of quite a number of places. By Lydia E. Pinkham's Vegetable Compound

Louisville, Ky.—"Lydia E. Pinkham's Vegetable Compound has certainly done me a world of good and I cannot praise it enough. Correct Shoe Fitting

Fall Shoes.

We cannot emphasize too forcibly the importance of a perfect fit. It is a correct fit over the toes, giving them plenty of room, ease and comfort. The heel must have that flexible, gentle pressure which makes the snugness of snug fits. That you will find in shoes that are made on lasts that conform to the natural shape of the foot. That is what makes the fit so accurate.

Our stock has every grace line to make them attractive. Briefly, the reason is supleness—they bend with the foot.
